## CERTIFICATE OF CONFORMANCE N-BUTANE INSTRUMENT PURITY

| <u>Guaranteed Specifications</u>     |             | <u>Minimal Purity</u> |
|--------------------------------------|-------------|-----------------------|
| 99.5 % +                             | n-Butane    | 99.50 % +             |
| Sum of all impurities to be < 0.50 % | Ethane      | < 10 PPM              |
|                                      | Isobutane   | < 1800 PPM            |
| Water < 5 PPM                        | Propane     | < 500 PPM             |
|                                      | Isopentane  | < 50 PPM              |
|                                      | Neo-pentane | < 550 PPM             |
| Liquid Phase Analysis                | Hexane      | Non Detected          |
|                                      | C6+         | Non Detected          |
|                                      | Benzene     | Non Detected          |
|                                      | Water       | < 5 PPM               |
|                                      | Oxygen      | < 2 PPM               |
|                                      | Nitrogen    | < 10 PPM              |
|                                      | Sulfur      | Non Detected          |
